It was only last issue that the manager of this great religious threatened to build that railroad—no wonder President Farrell got busy.

The announcement of extension of the Oregon & Eastern into Harney Valley this season, the discovery of rich aluminum deposits near Burns, prospects for a gusher at the oil well bright and half a dozen horse buyers snapping up every available hoof—Harney county is in the prosperity column with a big P.

Rich Metal Prospects.

The discovery of deposits that it is said assays better than 22 per cent aluminum within four miles of Burns has caused considerable excitement. The Times-Herald has not been able to get an intelligent expression on the real importance of this discovery or whether it has been properly analyzed or not. However, if it is as rich as represented it is the biggest thing in that line ever and will bring fame, fortune, railroads and most everything else to us.

Presbyterian Church.

Services tomorrow morning as usual.

Last Sunday we had a children's day service at the Sunset school house. Three infants were presented for baptism. Mr. Alex Eggleston presented two pieces on his violin accompanied by Miss Richardson. Through the kindness of Mr. Weittenhiller we were taken out with speed and returned in safety.

The General Assembly of the Presbyterian church recently met in Rochester, New York.

The church has 1,500,000 members.

There were added to its membership last year 112,000 new members.

The Foreign Missionary Board spent \$2,500,000 last year, which makes it the greatest missionary agency in the world.

The church spent for its maintenance last year \$27,000,000.

It contributed for benevolence \$6,000,000. It has 10,000 ministers and a greater number of churches.

Only one Entirely Satisfactory.

"I have tried various colic and diarrhoea remedies, but the only one that has given me entire satisfaction and cured me when I was afflicted is Chamberlain's Colic, Cholera and Diarrhoea Remedy. I recommend it to my friends at all times," writes S. N. Galloway, Stewart, S. C. For sale by all Dealers.

State Stock Association

Holds Successful Meet

(Continued from page one)

have to pay for his meanness some day.

The visitors took their departure Tuesday forenoon for Canyon City where they held an adjourned meeting Wednesday in connection with the Grant county stock association. They all expressed their appreciation of the hospitality extended them by the people of this place and invited all to attend the annual meeting of the state association in Baker next February.

The executive officers of the association who attended the meeting here were Wm. Pollman, president; J. F. Blanchard, vice-president; Wm. Duby, treasurer; S. O. Correll, secretary; F. A. Phillips, Chas. Wendt, Thos. Logan, Col John Fleming, of the Portland Stock Yards; John Hoke, S. P. Holt, Ed Coles, Ed Stauffer, Raymond Calavan, members of the executive committee. Messrs. Stauffer, Blanchard and Calavan were accompanied by their wives.

Mr. and Mrs. Stauffer did not accompany the party to Canyon but after a short visit with relatives and friends in this vicinity went out to Crane Creek and from there will return to their home ranch at Junipers. They met with a hearty reception from their many old time friends.

The meeting was a success and will prove of benefit to the local growers. They are pleased with the organization and are now enthusiastic boosters for not only the state organization but also see the advantages of organization along every line and it will bring about a more harmonious understanding among the men engaged in the business here.

Among those from a distance who attended the meeting were: L. W. Buchanan, G. A. Stoneman, L. M. Hamilton, I. L. Poujade, Ira Mahon, J. W. Shown, Starr Buckland, Bailey Hayes, Walter Clark, C. R. Peterson, L. R. Hutton, Ed Howard, W. A. Robertson, R. J. Williams, J. H. Anderson, Frank Catterton.

Married—A very pretty wedding was solemnized at the home of Mr. and Mrs. J. W. Farson at the Experiment Farm on Wednesday evening, June 16th, at 6:30, when Obil Shattuck and Goldie O. Farson were married. The home was very neatly decorated for the occasion. The bride was dressed in white while the groom wore the conventional black. A number of friends were present. The wedding dinner was very nice, consisting of the substantial as well as the most palatable of viands. After the wedding dinner Mr. and Mrs. Shattuck departed for a honeymoon trip in their own auto amid the congratulations of friends, usual shower of rice, jokes and old shoes. They will visit his old home at Klamath Falls and take a spin through the Willamette Valley before settling down in their new home at Burns. Mr. Shattuck is County Agriculturist and his bride is the youngest daughter of Mr. and Mrs. J. W. Farson, who formerly resided at Payette, Idaho, where the charming young lady was very popular among a wide circle of friends. Rev. D. Loree of Redmond, Oregon, was the officiating clergyman.
